**!! URGENT !!**

**Date:** 14 May 2010

**Subject:** Multiple Air Force Bases  
Multiple Terminal Charts

***Potential Outdated Terminal Procedure Charts***

Due to interruptions in our acquisition of source information for USAF terminal procedures, Jeppesen terminal charts at the military aerodromes listed on the following page may not contain current information. Jeppesen is reviewing these charts against current DOD FLIP (Department of Defense Flight Information Publications) and any corrections will be issued by the 11 June 2010 revision. Jeppesen navigational databases have been fully analyzed and have been updated with any applicable updates.

**THEREFORE, EXERCISE EXTREME CAUTION WHEN USING THE TERMINAL PROCEDURE CHARTS LISTED ON THE FOLLOWING PAGE.**

Any significant procedural changes affecting individual charts that are identified during our review will be communicated to our customers, and the updated charts will be posted on the Jeppesen Web site at <http://www.jeppesen.com/company/alerts/aviation-alerts.jsp>.

**WE STRONGLY URGE YOU TO MAKE THIS INFORMATION AVAILABLE TO APPROPRIATE CREW MEMBERS IMMEDIATELY!**
