

Based on the Microsoft® Windows

Mobile™ platform, the iQue M5 can

## Pocket PC with GPS and Bluetooth® technology.

take you from boardroom to hotel room

without stopping for directions.

Calendar and contact information is

integrated with GPS functions, so the

iQue M5 can remind you of an

appointment and route you there with

turn-by-turn directions and voice

prompts. Advanced routing features

include the ability to specify roadways to

avoid and find services near your route.

Use its mobile office applications to

check e-mail and view documents, then

sync seamlessly with your laptop,

desktop or other Bluetooth devices.
