

# GUIDANCE FOR YOUR NEXT ADVENTURE

GARMIN RV PRODUCTS

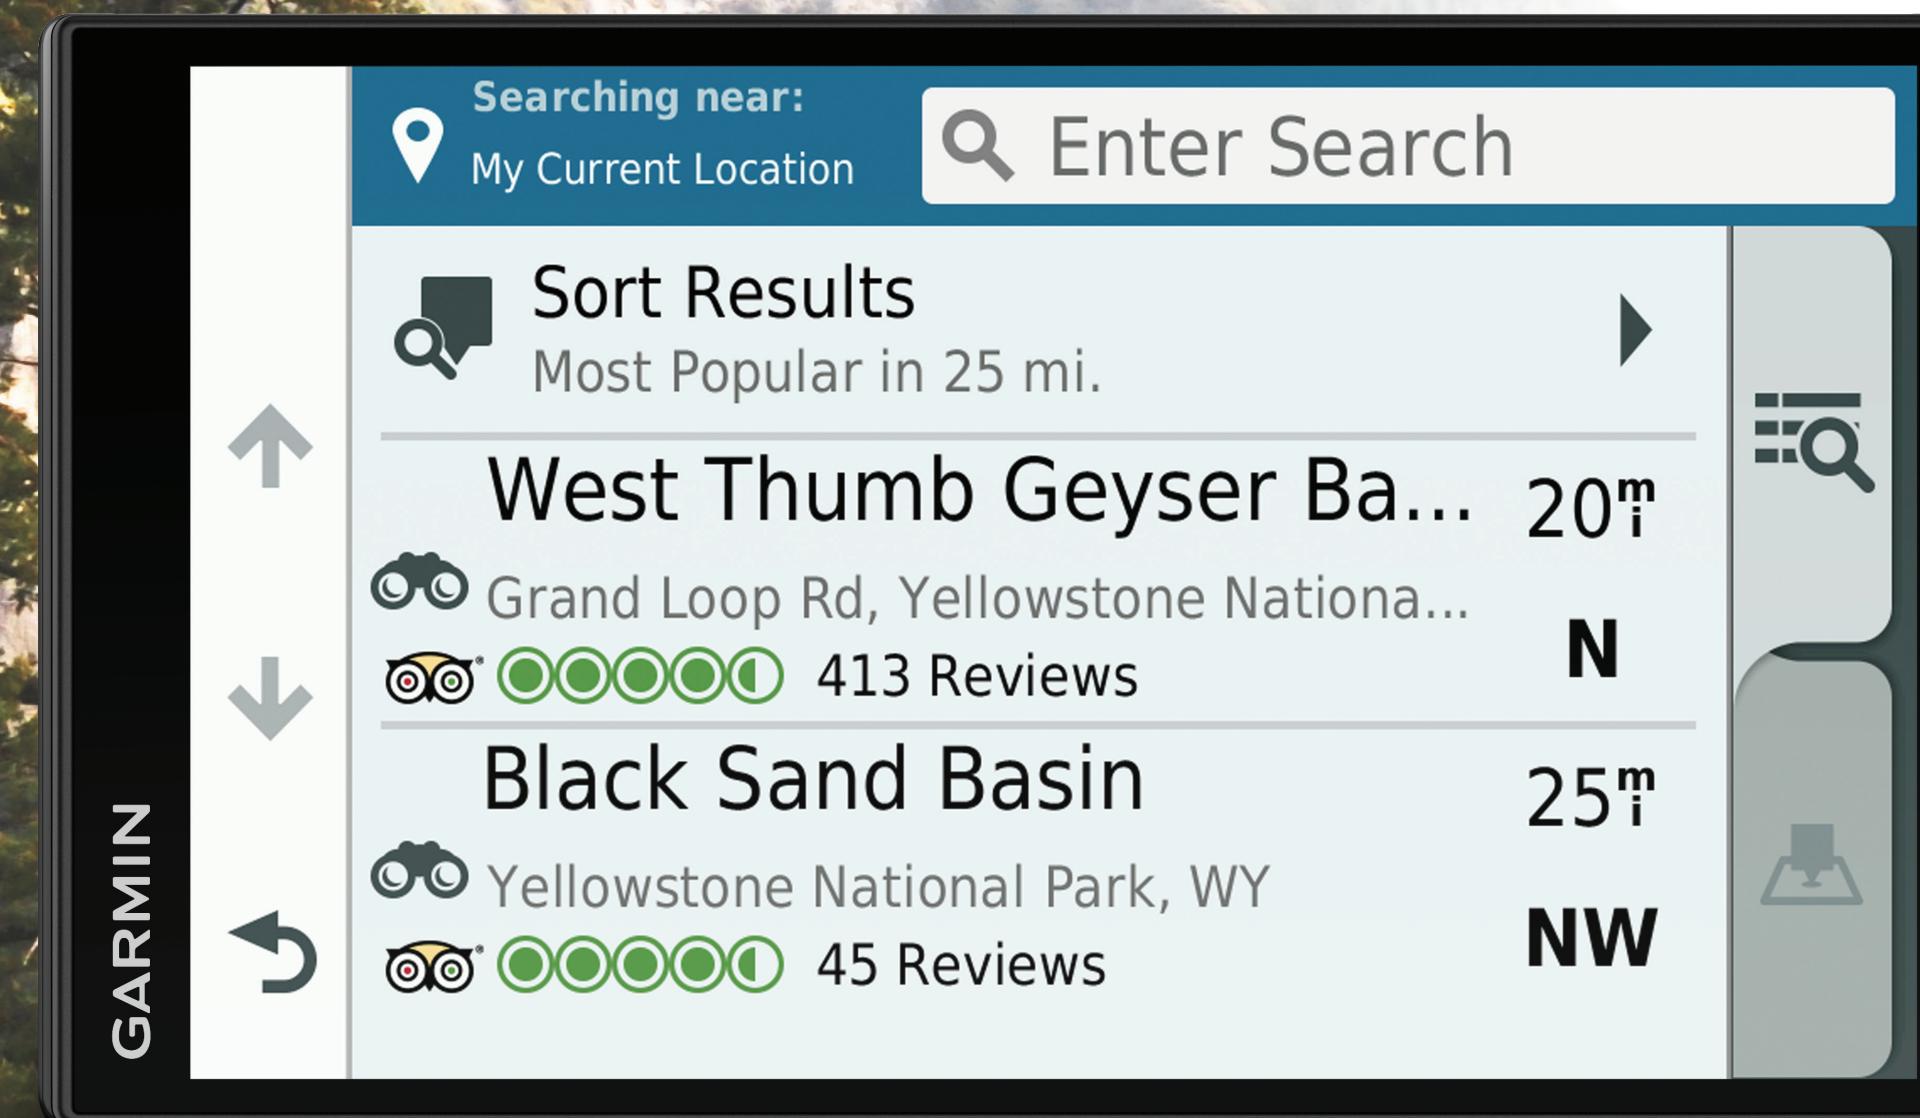

Custom navigation for your RV or trailer

## DESIGNED FOR YOUR RV LIFESTYLE

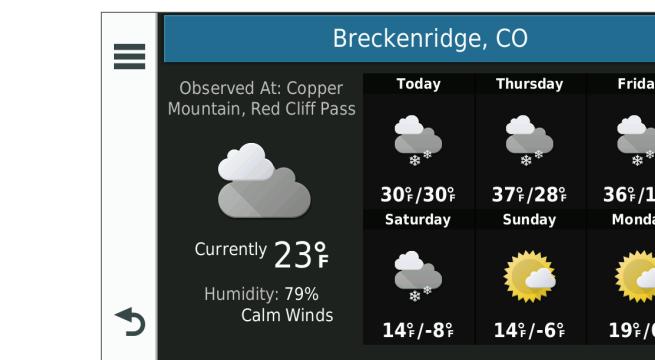

Our RV navigators feature RV-specific features, including road warnings and custom routing<sup>1</sup> based on the size and weight of your RV or trailer. We have also included a filterable directory of RV Parks & Services sites with your preferred amenities along with free live traffic, basic weather forecasts and more<sup>2</sup>. Just so you can find the RV adventure you've been seeking.

# CONNECT YOURSELF TO SOME AMAZING FEATURES.

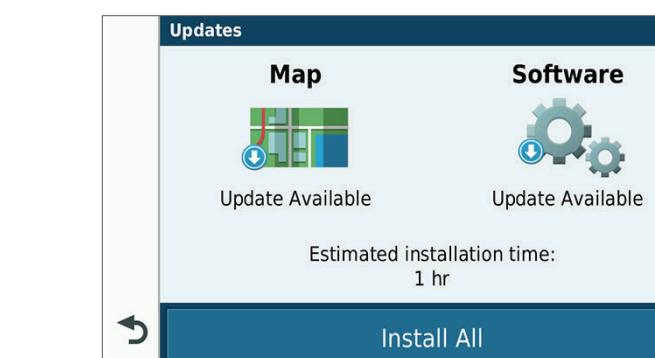

## TripAdvisor® Ratings - NEW

Suggested attractions along your route and near your destination make the journey more interesting and fun.

## Free Live Services<sup>2</sup> - NEW

Includes live traffic, basic weather forecasts and more. The LiveTrack feature lets you share your location, so friends can track your whereabouts as you travel (requires Smartphone Link app)<sup>3</sup>.

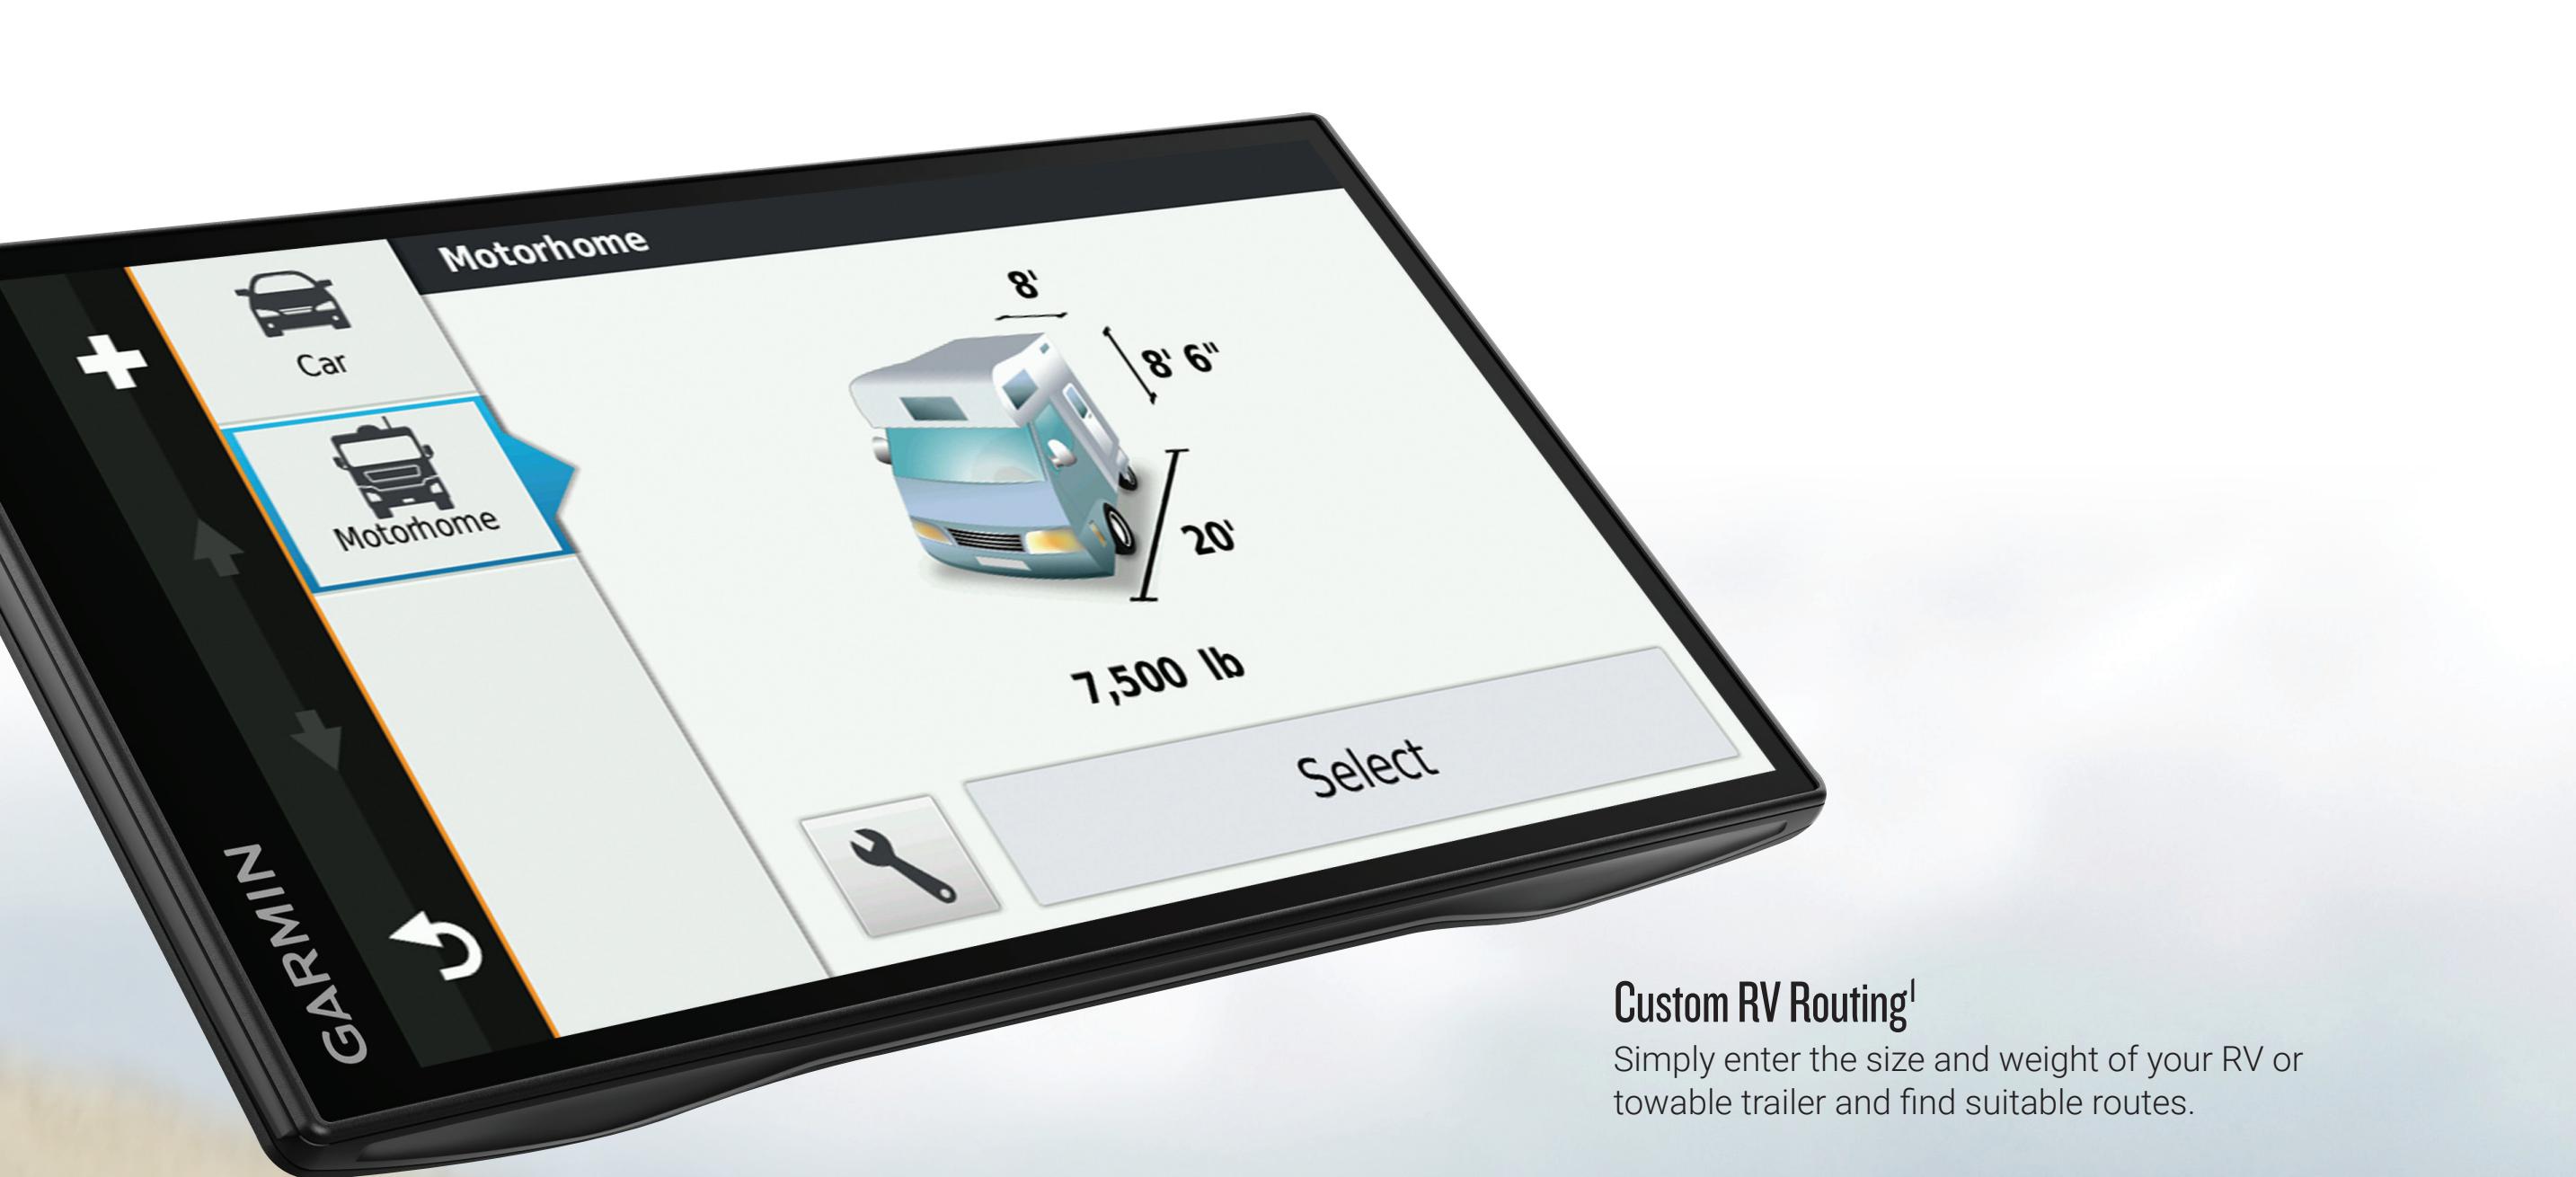

## Built-in Wi-Fi® - NEW

Provides easy map and software updates when you're on the road; no computer needed.

## Garmin Smartwatch Compatible - NEW

Works with compatible Garmin smartwatches, such as fēnix® 5 (sold separately), to provide driver alerts on your wrist plus handy smartwatch compass guidance from your parked vehicle to your final destination and back to your vehicle again automatically.

# CUSTOMIZE YOUR ROUTES TO FIT YOUR RV OR TRAILER.

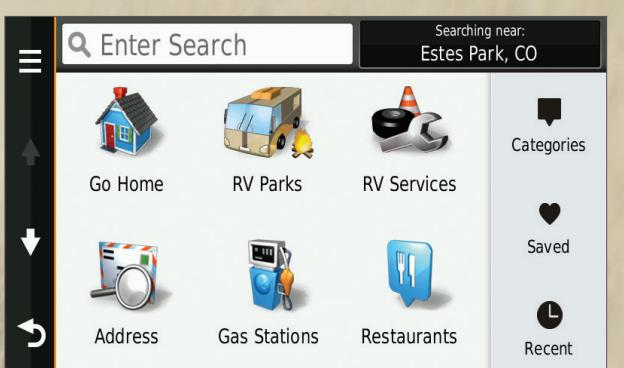

## Custom RV Routing<sup>1</sup>

Simply enter the size and weight of your RV or towable trailer and find suitable routes.

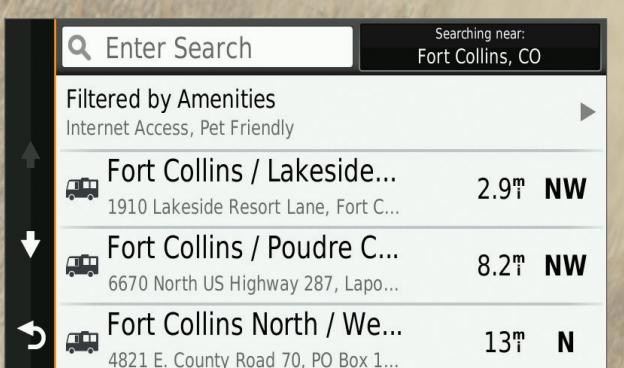

## Road Warnings

Warnings for bridge heights, weight limits, sharp curves, steep grades and more.

## Directory of RV Parks & Services

Comprehensive directory of RV Parks, plus service and repair locations for towing, tires, truck stops and more.

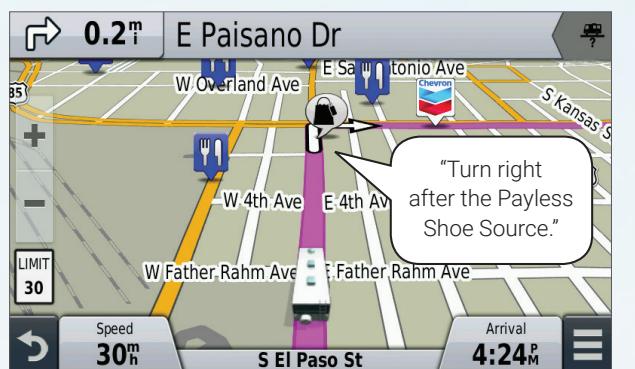

## Filter Search Results

Find campgrounds with preferred amenities like internet access, onsite water and more.

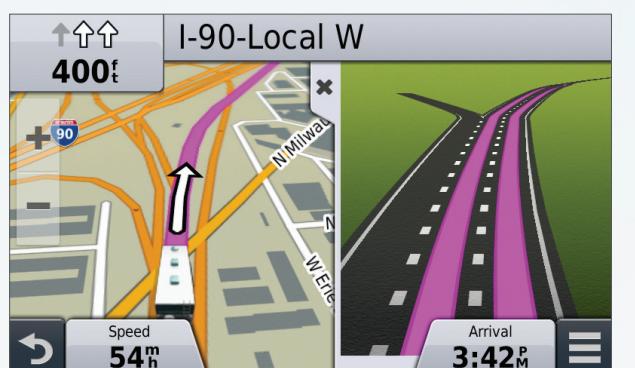

# RECEIVE EASY-TO-FOLLOW DIRECTIONS.

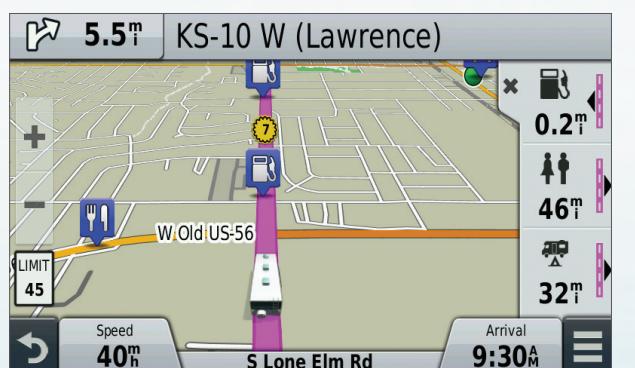

## Garmin Real Directions™

Spoken directions that guide like a friend, using recognizable landmarks, buildings and traffic lights.

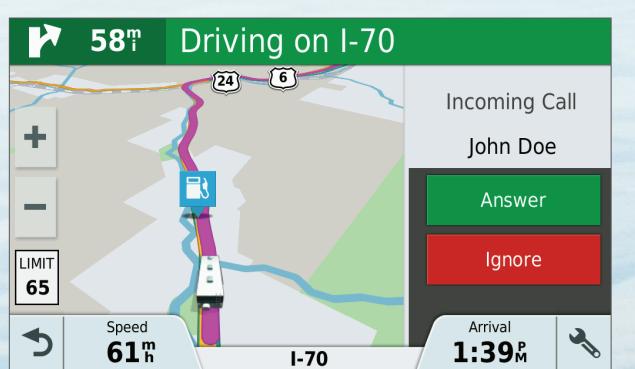

## Active Lane Guidance

Brightly colored arrows and voice prompts prepare you for exits or interchanges by indicating the lane needed for your route.

## Up Ahead

Shows a constant stream of nearby places—including fuel, rest areas and campsites—that appear alongside your map and updates automatically.

## Smart Connections

Includes Bluetooth® calling<sup>3</sup>, smart notifications<sup>4</sup> and voice-activated navigation.

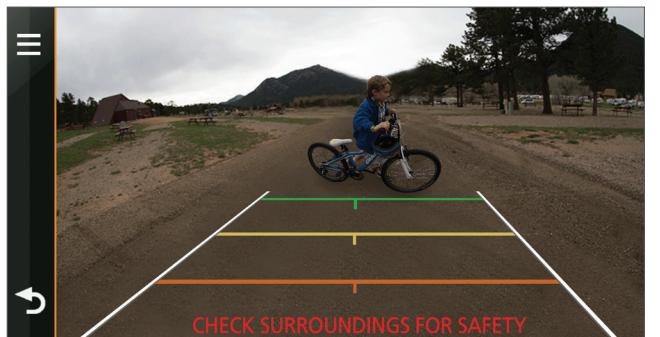

## Easy Route Shaping

Easily modify your route to include preferred roads or cities.

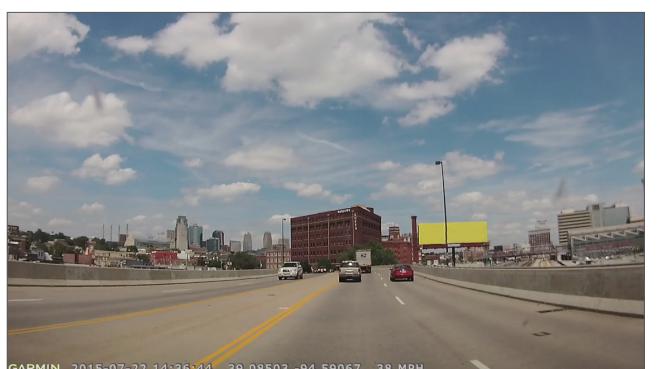

# CHOOSE THE MODEL THAT IS RIGHT FOR YOU

Enjoy the freedom of the open road and the convenience of traveling with a friendly, well-informed onboard guide. Our RV navigators were created just for the RV lifestyle with custom RV routing<sup>1</sup>, a directory of RV Parks and Services and many other features to make your trip go smoothly.

## Add a Wireless Backup Camera

Works with Garmin BC™ 30 Wireless Backup Camera (sold separately) to see behind RV when in reverse.

## Add a Dash Cam

Our extremely small and discreet dash cameras capture high-quality video automatically and provide advanced driver alerts to help you avoid incidents. (sold separately)

<sup>1</sup> Not available in all areas. Entering your RV or trailer profile characteristics does not guarantee your RV's characteristics will be accounted for in all route suggestions. Always defer to all posted road signs and road conditions.

<sup>2</sup> To access live information, you must download the free Smartphone Link app. User's data plan charges, if any, will apply. Requires Bluetooth®-enabled smartphone. <sup>3</sup>Requires Bluetooth-enabled smartphone (sold separately).

<sup>4</sup> To receive smart notifications on your navigator, you must download the free Smartphone Link app. User's data plan charges, if any, will apply. Requires Bluetooth-enabled smartphone (sold separately). <sup>5</sup>Lifetime Maps entitle you to receive map updates when and as such updates are made available by Garmin during the useful life of 1 compatible Garmin product or as long as Garmin receives map data from a third party supplier, whichever is shorter. For the meaning of a product's "useful life" and for other important terms and conditions, please see Garmin.com/LM. <sup>6</sup>The fatigue warning activates after longer periods of consecutive driving without any long stops along the route. <sup>7</sup>Red light and speed camera warnings are not available in all regions. ©2017 TripAdvisor LLC.
