Package Includes:

GMR 21 or 41, 15m power/marine network cable, cable holder, grommet, marine network cable connector kit, owner's manual and installation instructions

GMR 404/406

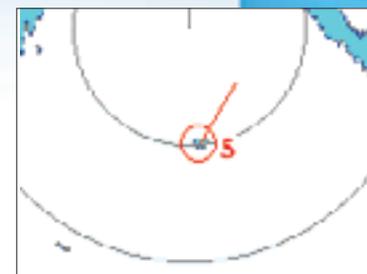

- X-band digital colour radars
- Automated tuning and simple 'plug and play' installation
- Overlay radar information onto charts - plus MARPA target tracking
- Power output: 4kw
- GMR 404 - 1.8 degree beamwidth
GMR 406 - 1.18 degree beamwidth
- GMR 404 - 24 RPM antenna sweep
GMR 406 - 48 RPM antenna sweep
- Weight
GMR 404 - 5.44 kg
GMR 406 - 7.26 kg
Pedestal - 19 kg
- Min range 20 metres
