GARMIN HAS THE PERFECT GIFTS FOR ANYONE'S LIST

give a garmin

## Forerunner® 165 Series

**GPS RUNNING SMARTWATCHES**

SRP: STARTING AT \$249.99

Runners will love this easy-to-use running smartwatch that features up to 11 days of battery life in smartwatch mode, a colorful AMOLED display, personalized training plans, and advanced fitness and wellness insights.

## Forerunner® 965

**GPS RUNNING SMARTWATCH**

SRP: \$599.99

Some runners want to be recognized under the lights. Now they can take the podium with the bright AMOLED display, plus premium running and triathlon features.

to elevate their training

## Tacx<sup>®</sup> NEO 3M

**DIRECT-DRIVE SMART TRAINER**

SRP: \$1,999.99

This smart trainer brings the feel of riding outdoors inside with multidirectional movement and road surface simulation. Seamless app integration makes it easy to complete training plan workouts, participate in a virtual group ride and more.

## Edge<sup>®</sup> 1050

**PREMIUM CYCLING COMPUTER**

SRP: \$699.99

Make every ride better with superior navigation, advanced performance insights, cycling awareness tools and smart connectivity — all on a vivid color display.

## HRM-Fit™

### HEART RATE MONITOR

SRP: \$149.99

Designed to fit and built to perform, this heart rate monitor is made for women. It clips directly onto most sports bras and accurately captures real-time heart rate<sup>1</sup> and training data.

## Varia™ RCT715

### RADAR CAMERA TAIL LIGHT

SRP: \$399.99

Ride with peace of mind. This rearview radar with tail light not only helps motorists see cyclists, but also alerts riders of approaching cars and includes a built-in camera that continuously records while they ride<sup>2</sup>.

<sup>1</sup>See [Garmin.com/ataccuracy](http://Garmin.com/ataccuracy)

<sup>2</sup>Some jurisdictions regulate or prohibit use of this camera device. It is your responsibility to know and comply with applicable laws and rights to privacy in jurisdictions where you plan to use this device.

to promote their healthy lifestyle

## Venu<sup>®</sup> 3 Series

GPS SMARTWATCHES

SRP: \$449.99

They've got health and fitness goals and want an on-wrist coach to support them. These smartwatches come in two sizes and offer personalized wellness insights, fitness features, and the ability to make calls and send texts with a paired smartphone.

## vivoactive<sup>®</sup> 5

GPS SMARTWATCH

SRP: \$299.99

They want to focus on their health with a smartwatch that has all the essentials. Packed with a variety of fitness features, a vibrant AMOLED display and an affordable price, this smartwatch is the one for them.

to promote their healthy lifestyle

# Lily<sup>®</sup> 2 Active

SMARTWATCHES FOR WOMEN

SRP: \$299.99

This small, stylish smartwatch has built-in GPS and essential health, fitness and smartwatch features to help them feel good – inside and out.

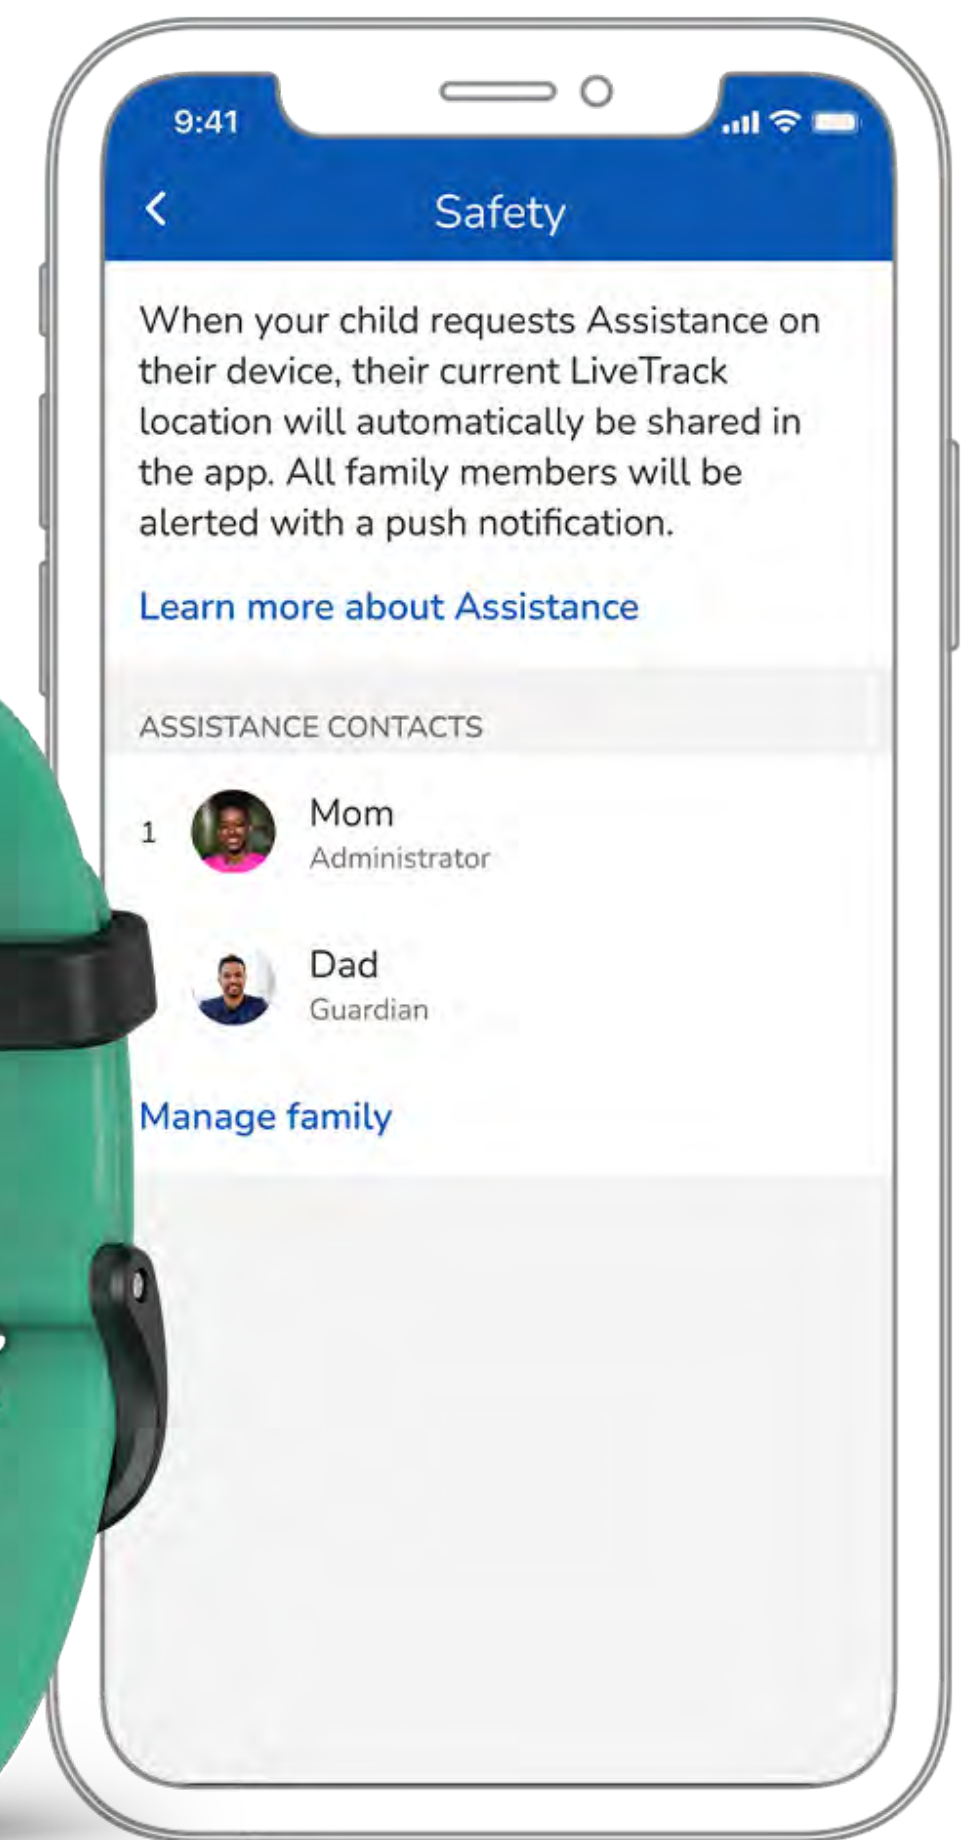

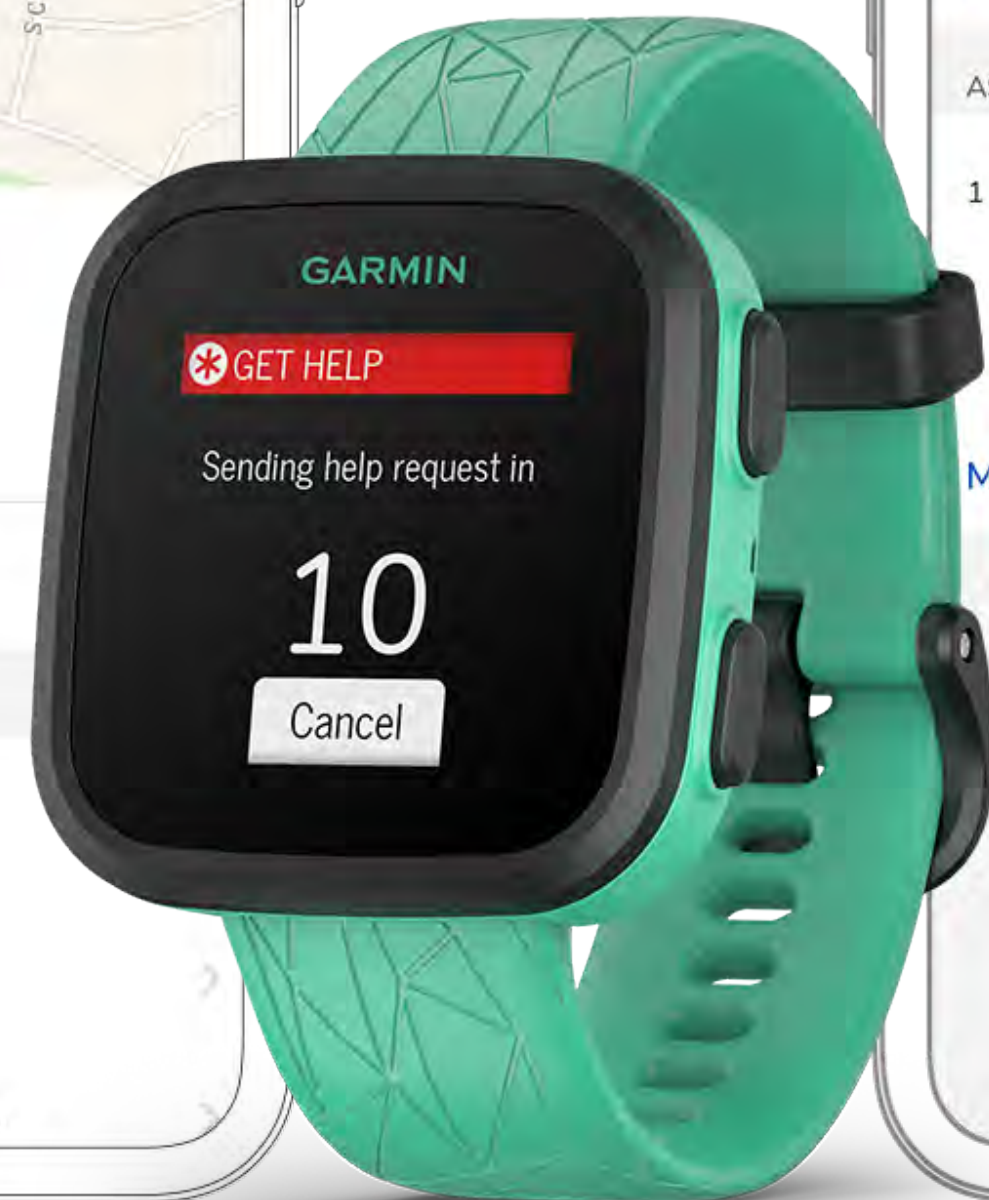

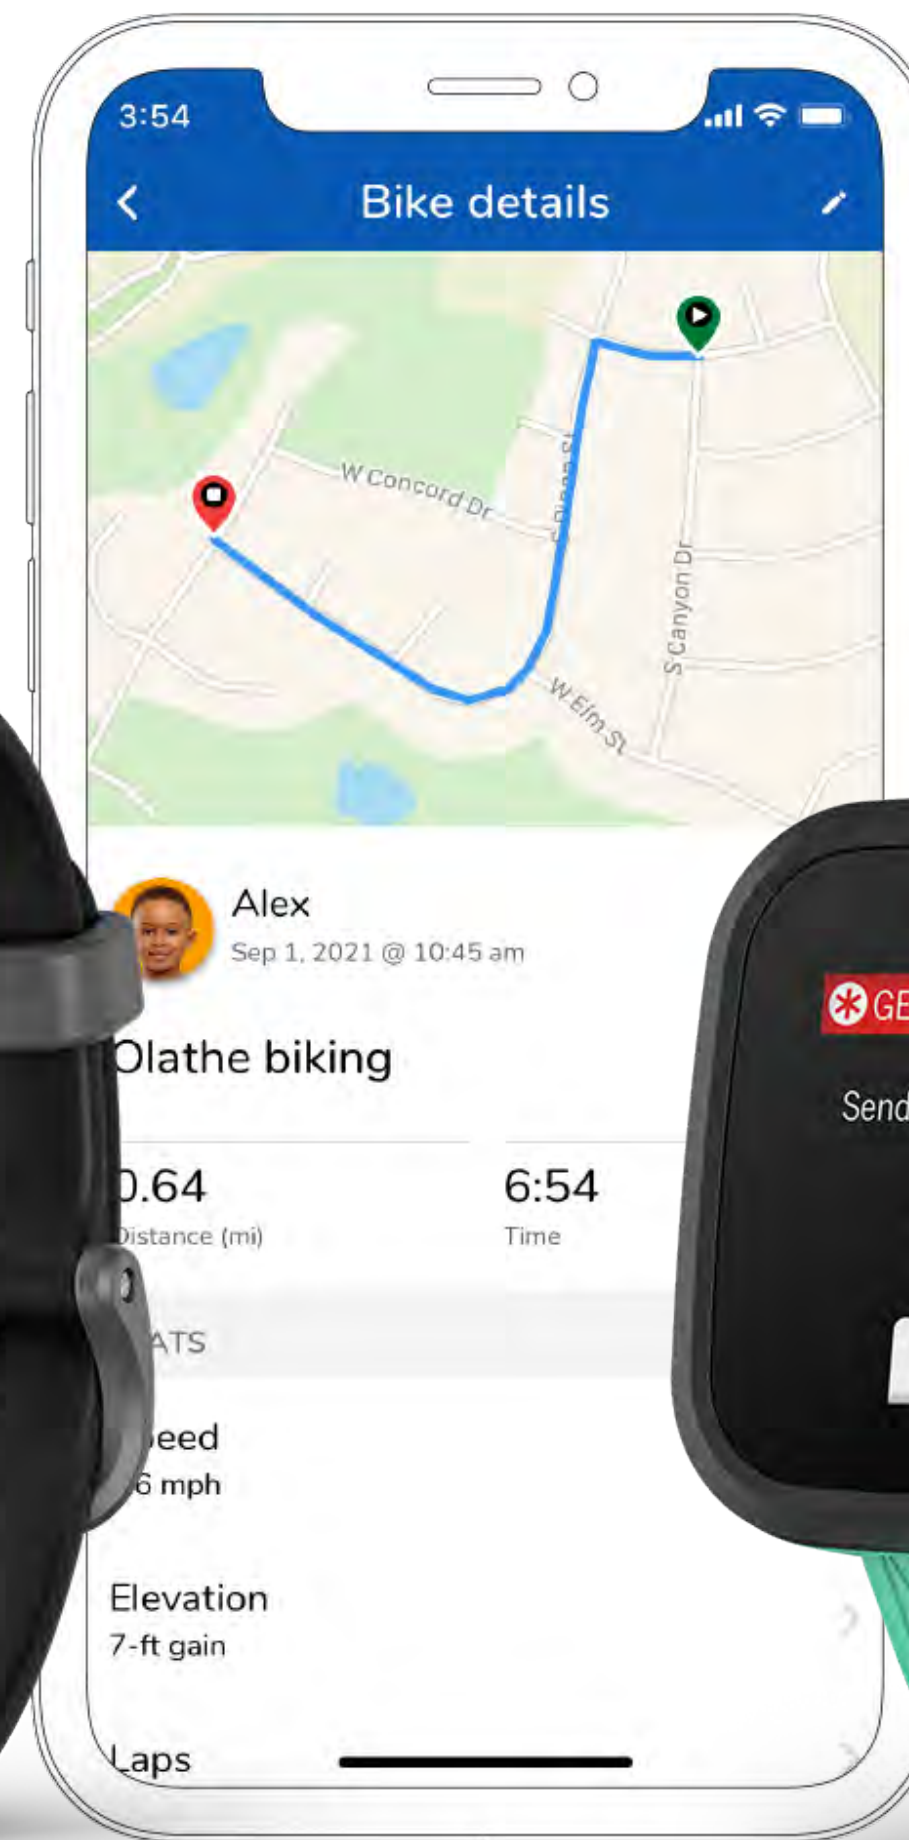

# Bounce<sup>™</sup>

KIDS SMARTWATCH

SRP: \$149.99

For parents who want to encourage healthy habits for their child and gain some peace of mind, this kids smartwatch texts and tracks<sup>1</sup> – so they can breathe easy and stay in touch.

<sup>1</sup>To use LTE features on each device, an active subscription plan and LTE connectivity are required; see LTE coverage area at [Garmin.com/BounceLTEcoverage](https://www.garmin.com/BounceLTEcoverage)

to execute perfection

## MARQ<sup>®</sup> Carbon Series

MODERN TOOL WATCHES

SRP: STARTING AT \$2,950.00

They need a watch that reflects their passion for excellence. Crafted from uniquely engineered carbon fiber, these luxury modern tool watches take performance to new heights with high-end materials and advanced features.

to unleash their inner explorer

## fēnix® 8 Series

ULTIMATE GPS SMARTWATCHES  
SRP: STARTING AT \$999.99

A smartwatch built to be the best — this is just what they need. Choose between an AMOLED display or solar charging lens for a smartwatch with features true adventurers need, whether they're off-grid or at their desk.

## Enduro™ 3

ULTRAPERFORMANCE GPS SMARTWATCH  
SRP: \$899.99

They're built to push limits — so is Enduro 3. With up to 320 hours of battery life in GPS mode<sup>1</sup>, preloaded TopoActive maps and a lightweight yet rugged design, this smartwatch will help them conquer their wildest adventures.

<sup>1</sup>Assumes continuous use for entire period in 50,000 lux conditions

to unleash their inner explorer

## Instinct® 2X Solar

**SOLAR POWERED MULTISPORT SMARTWATCH**  
SRP: \$449.99

Their lifestyle is rugged and unique. This smartwatch helps them take on life's unlimited possibilities with preloaded activity profiles, health metrics, an LED flashlight, solar charging and more.

## inReach® Messenger Plus

**SOS SATELLITE COMMUNICATOR**  
SRP: \$499.99

They need a reliable way to stay in touch when off-grid. With this device, they can send texts, photos or voice messages without cell service<sup>1</sup>. In the event of an emergency, they can send an interactive SOS message to the Garmin Response<sup>SM</sup>, the 24/7-staffed international response coordination center, for help<sup>2</sup>.

<sup>1</sup>Photo and voice messaging is available only with select devices enabled with inReach technology and requires use of the Garmin Messenger™ app on your paired smartphone

<sup>2</sup>Active satellite subscription required. Some jurisdictions regulate or prohibit the use of satellite communication devices. It is the responsibility of the user to know and follow all applicable laws in the jurisdictions where the device is intended to be used.

to dial in their game

## Approach® S70 Series

PREMIUM GOLF SMARTWATCH

SRP: STARTING AT \$649.99

They want to improve their game both off and on the course. These golf smartwatches with AMOLED displays have everything they need to get an edge.

## Approach® Z30

GOLF LASER RANGE FINDER

SRP: \$399.99

They need to add range to their game, and this range finder can help. It provides distance to the flag from up to 400 yards and syncs with their compatible Garmin smartwatch or handheld.

to explore above and below the surface

## Descent™ Mk3 Series

WATCH-STYLE DIVE COMPUTERS

SRP: STARTING AT \$1,199.99

A smartwatch designed for their life above and below the surface. This advanced dive watch comes in two sizes and includes advanced dive modes and practical features for life on land.

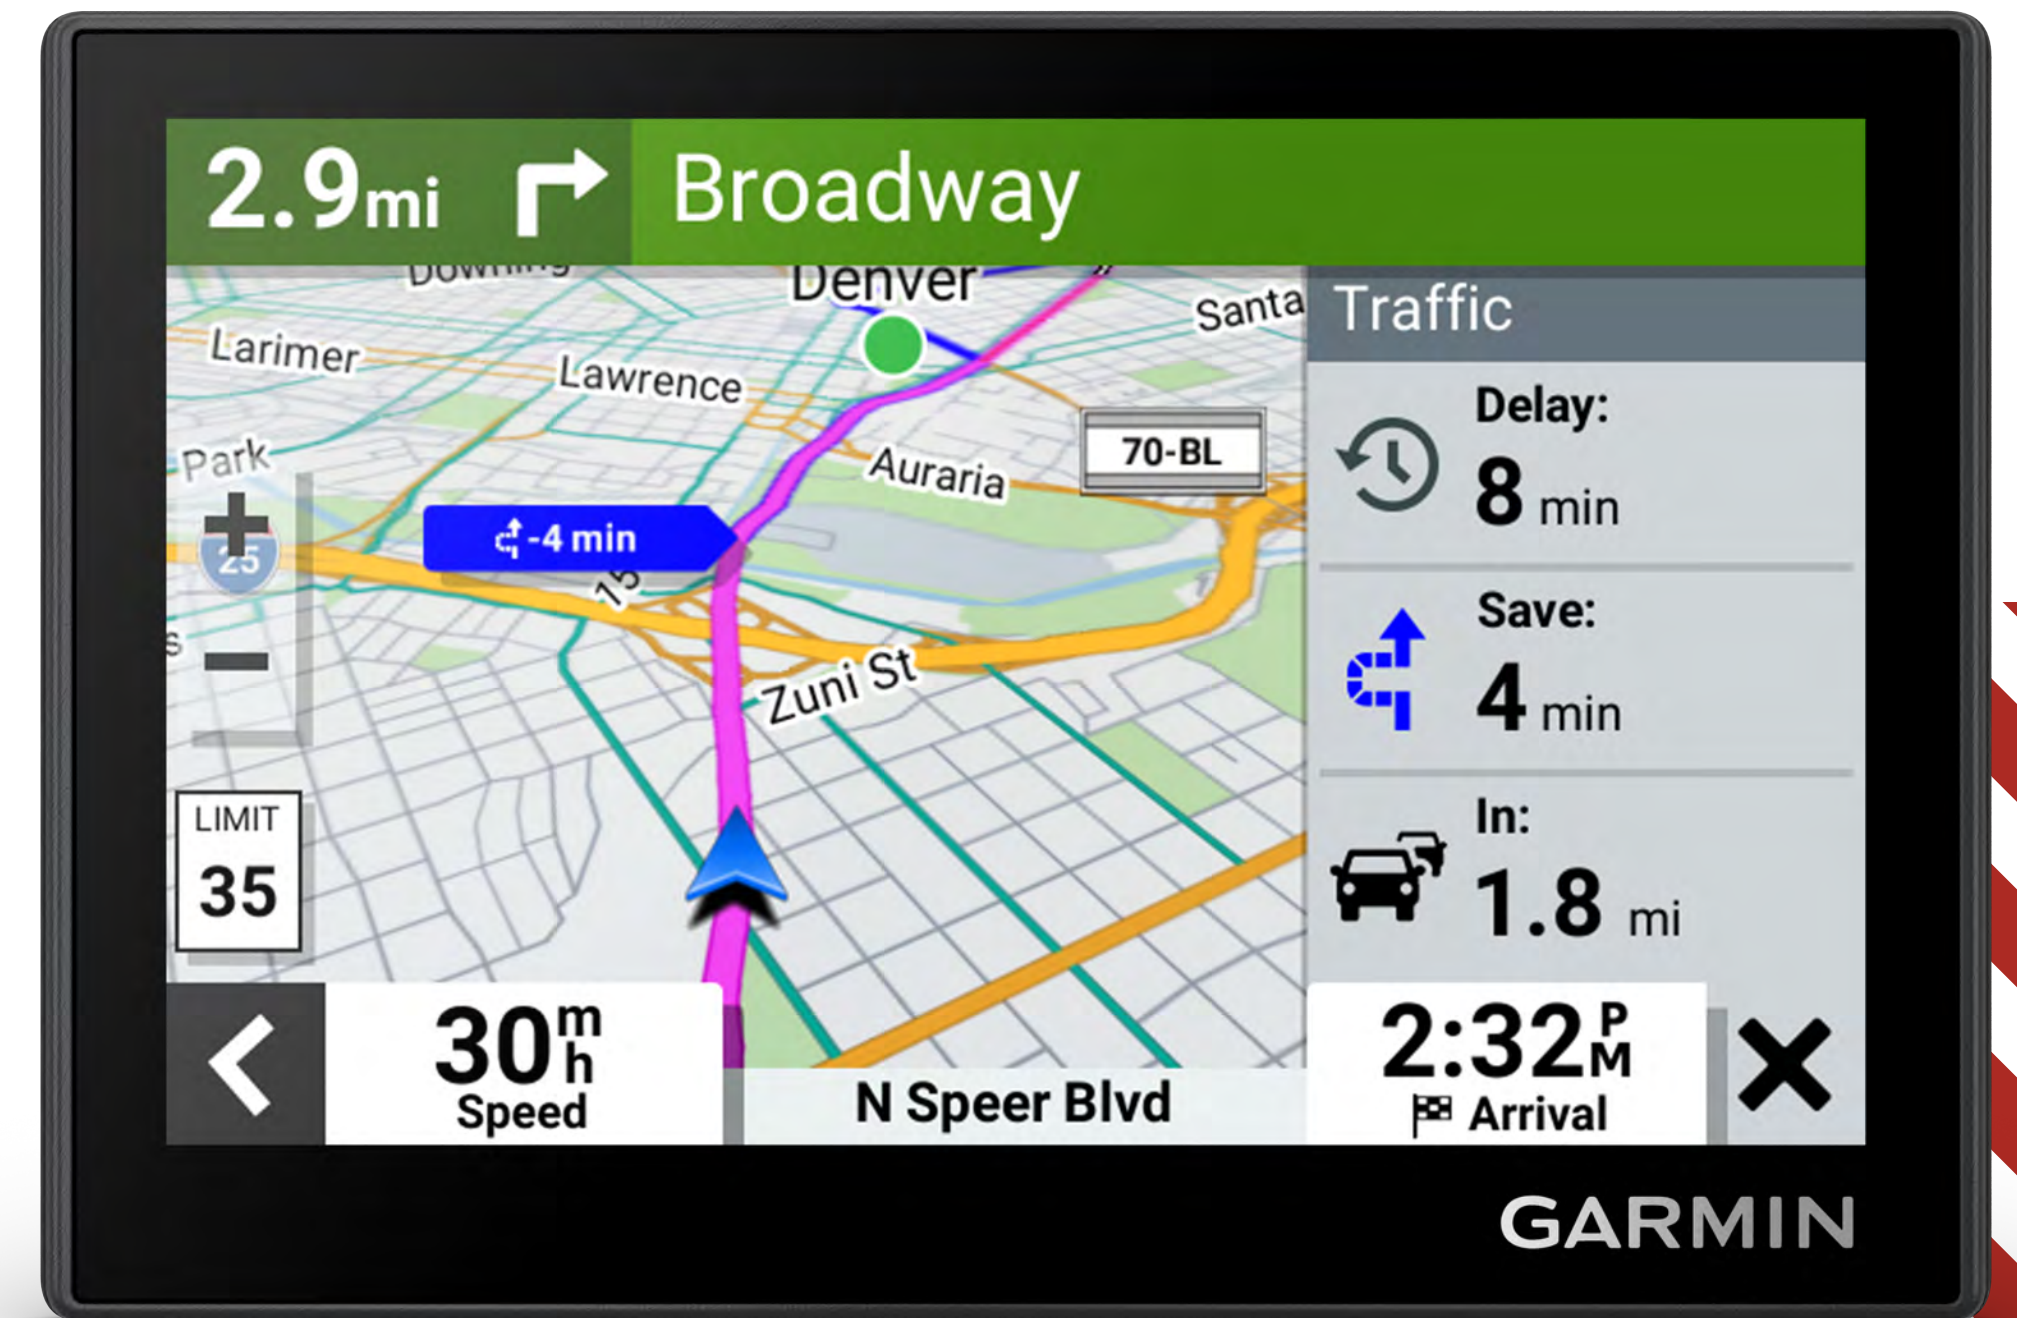

to steer them in the right direction

## Garmin Drive™ 53

CAR GPS WITH TRAFFIC ALERTS

SRP: \$169.99

If they need to stay focused on the road ahead, they need this sleek 5" navigator. The responsive touchscreen makes it easy to pinch and zoom, and traffic alerts help them arrive on time.

## Garmin Dash Cam™ X Series

PREMIUM DASH CAMERAS

SRP: STARTING AT \$149.99

For drivers who want an eyewitness on the road. These voice-controlled dash cameras record up to 4K ultra HD video<sup>1</sup> and include a Garmin Clarity™ polarizer lens so they'll see all the important video details.

<sup>1</sup>Some jurisdictions regulate or prohibit use of this camera device. It is your responsibility to know and comply with applicable laws and rights to privacy in jurisdictions where you plan to use this device.

to steer them in the right direction

# RV 895/1095

**RV NAVIGATORS**  
SRP: STARTING AT \$699.99

Large, easy-to-read touchscreen navigators that take the headache out of traveling. Enter the size and weight of the RV and get custom routes<sup>1</sup> to make travel easier. Travelers also get road warnings, high-resolution satellite imagery, and suggestions for taking the scenic or adventurous route to their destination.

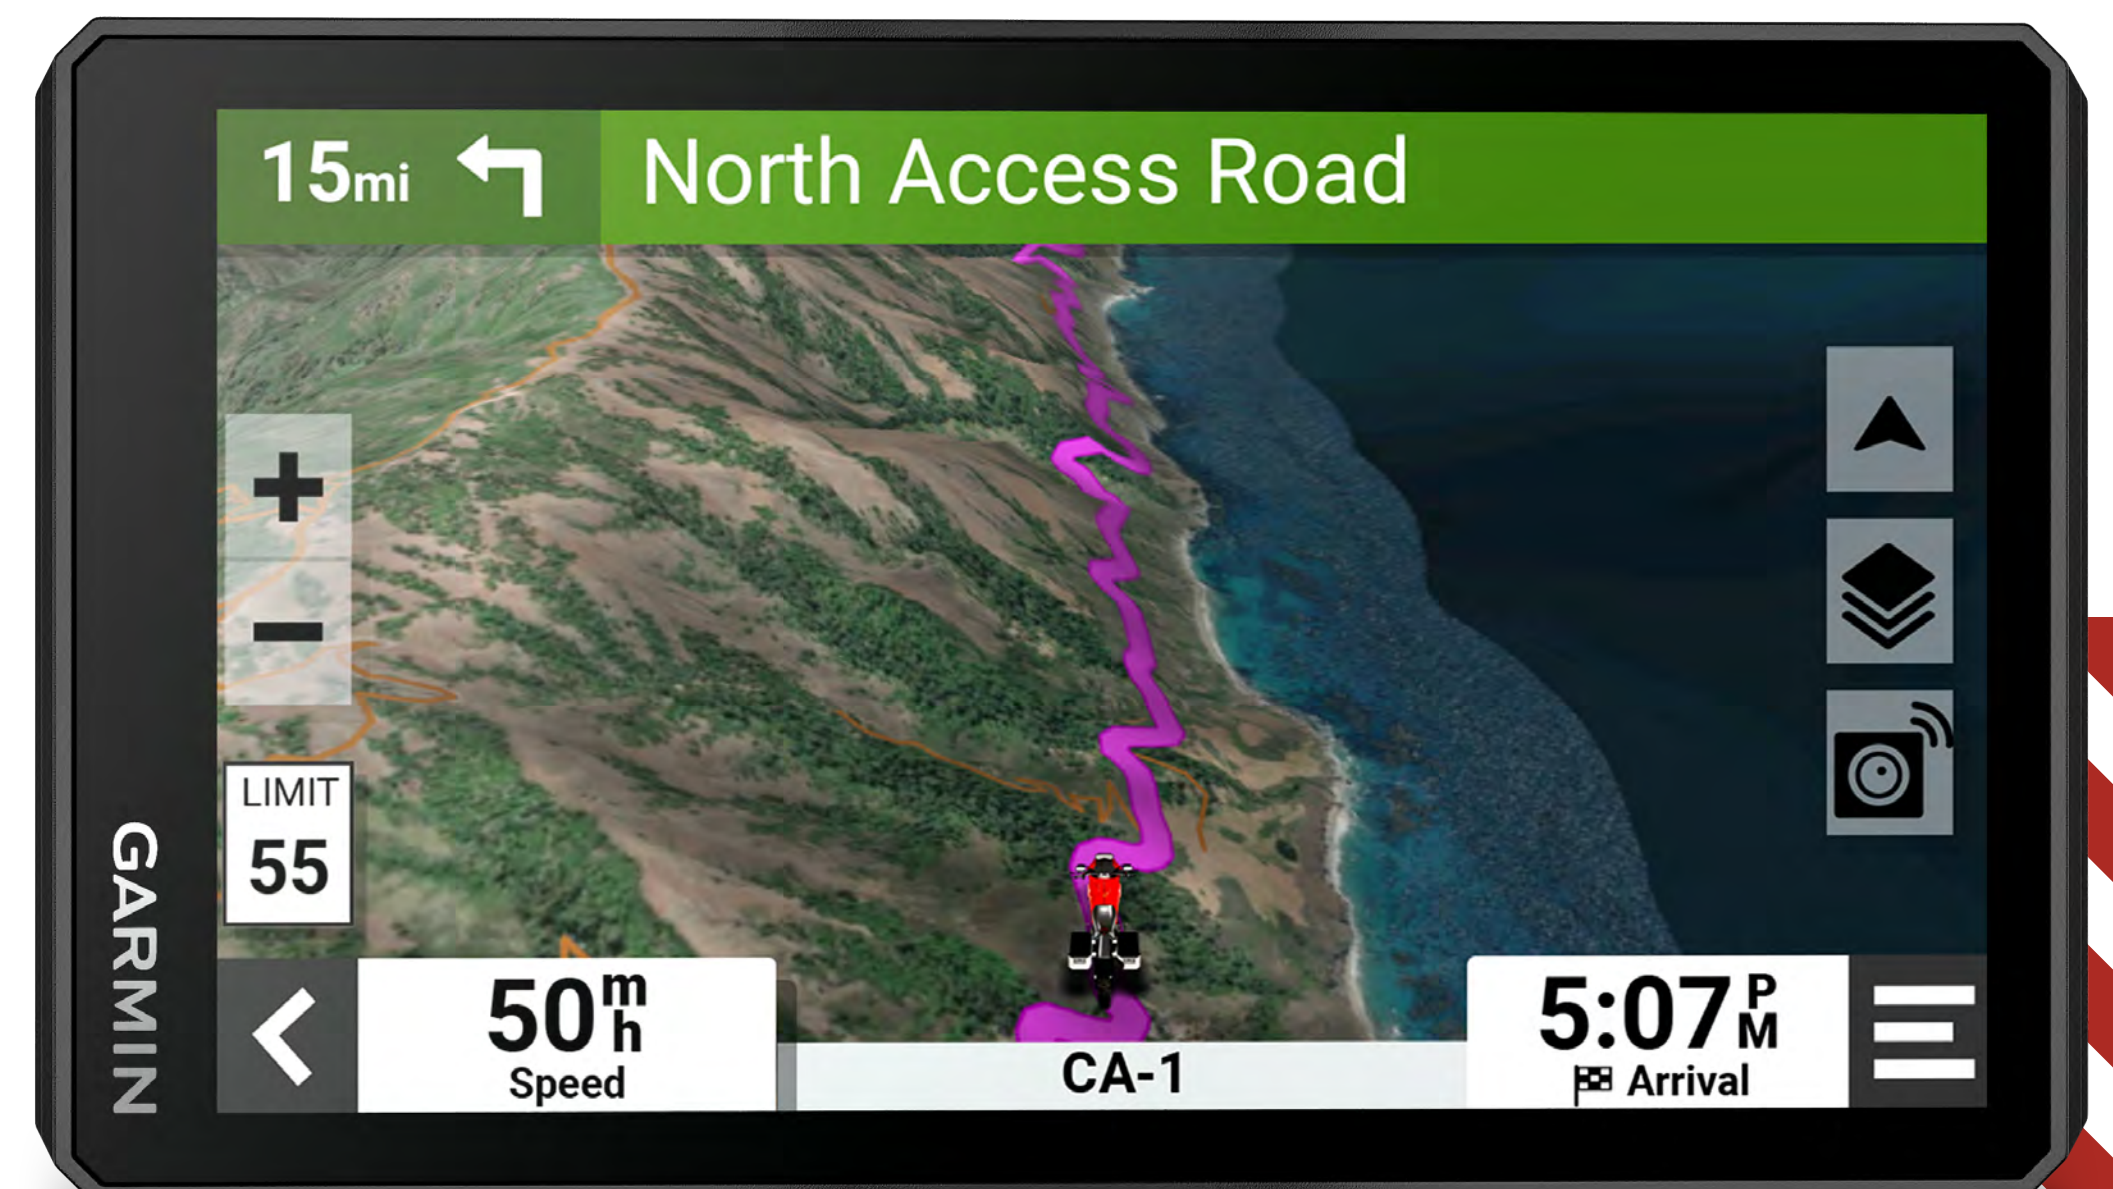

<sup>1</sup>Not available in all areas. Entering your RV or trailer profile characteristics does not guarantee your RV's characteristics will be accounted for in all route suggestions. Always defer to all posted road signs and road conditions.

# zūmo<sup>®</sup> XT2

**6" MOTORCYCLE NAVIGATOR**  
SRP: \$599.99

For those two-wheeled adventurers, here's the rugged motorcycle navigator with a bigger, brighter screen that finds unforgettable routes and has group tracking capabilities.

# LiveScope™ Plus Lithium-ion Ice Fishing Bundle

LIVE-SCANNING SONAR  
SRP: \$3,299.99

Live-scanning sonar with improved resolution, reduced noise, clearer images and better target separation. The portable carrying case makes it easy to take this sonar on the next ice fishing trip, then bring it on the boat during the warmer months. The lightweight lithium-ion battery keeps them fishing even longer.

# STRIKER™ Cast GPS

CASTABLE SONAR DEVICE  
SRP: \$179.99

This castable sonar device turns their phone into a fishfinder and helps them see below the surface via an app display on their compatible smartphone or tablet. The built-in GPS gives them the ability to create Quickdraw fishing maps with 1' contours to help them remember their favorite fishing spot.

to quench their love for the water

## inReach® Mini 2 Marine Bundle

COMPACT SATELLITE COMMUNICATOR

SRP: \$449.99

They love to cruise, sail and explore the open water. They need a compact GPS satellite communicator<sup>1</sup> that can keep them in touch globally for up to 2 weeks.

<sup>1</sup>Active satellite subscription required. Some jurisdictions regulate or prohibit the use of satellite communication devices. It is the responsibility of the user to know and follow all applicable laws in the jurisdictions where the device is intended to be used.

## quatix® 7 Pro

MARINE GPS SMARTWATCH

SRP: \$999.99

They want to plot their paradise. With marine-specific features, a trolling motor remote app and built-in flashlight, this GPS marine smartwatch has all the features they need for life on and off the water.

to keep their head in the clouds

## D2™ Air X10

AVIATOR SMARTWATCH

SRP: \$549.99

This GPS smartwatch gives pilots everything they need — from aviation capabilities to health monitoring, plus the ability to take calls and send texts when paired with their smartphone.

## D2™ Mach 1 Pro

AVIATOR SMARTWATCH

SRP: \$1,399.99

Serious pilots deserve a serious aviator smartwatch. With premium features, advanced tools for flying, and health and fitness tracking, this is the one to enhance their lives — whether they're in the air or on the ground.
